We Love the SDGs

Soloist 2

I just know it's right.

There are seventeen goals to strive for and the road is long.

Soloist 2

But maybe this is what we were meant for.

We're seven billion strong.

Em

But maybe this is what we were meant for.

We're seven billion strong.

We love the S. D. G.'s!
We love the S. D. G.'s!
We love the S. D. G.'s!
We love the S. D. G.'s!

An economy that gives us what we all really need: green cities, green products and a lot less green!
We Love the SDGs

We love the S. D. G.'s! We love the S. D. G.'s! Now we have to come to-geth-er live in jus-tice and peace turn

dream in-to re-a-li-ty for you and me - The na-tions have met and spo-ken and their words ring true

Solo 3

We love the S. D. G.'s! We love the S. D. G.'s! Now we have to come to-geth-er live in jus-tice and peace turn
Whether words turn into action depends on what we do. They're talking of transformation a whole systems view. But whether we can hold a whole planet in our hearts and...
We Love the SDGs

minds De-pends on me and you
Like birds who have stretched their wings

take these se-ven-teen goals and sing...

We love the S. D. G.'s!
We love the S. D. G.'s!

Ending poverty and hunger living healthy lives education
